Be removed from list – refer to journal guidelines or authorship declaration which should state that all authors meet appropriate criteria. Ask if author suspects fraud/misconduct.

Author(s) gives acceptable reason for change

Check that all authors agree to change (including excluded author)

Publish correction

Author(s) alleges fraud/misconduct

See flowchart for fabricated data

Author(s) has difference in interpretation of data

Suggest author(s) put views in a letter and explain you will give other authors a chance to respond and will publish both letters if suitable (i.e. correct length, not libellous)

Author(s) writes a letter

Contact other authors explaining what is happening

Other authors submit response

Publish both letters

Author(s) does not agree to write letter (or writes something unpublishable)

Other authors do not wish to respond

Publish minority view letter

If author insists on removal of name and other authors agree, then consider publishing correction
