

## Conflict of interest form for council

Name: Anubhav Pradhan

Date: 20 July 2021

Conflicts of interest (COI) arise where there is a divergence between an individual's responsibilities to COPE Council and their other interests, such that an individual's motives might be compromised, or perceived to be compromised. COIs are important since Council members' opinions and actions must be, and be seen to be, impartial. COI of all council members are collected on election and annually thereafter.

COI include, but are not limited to, the following. Council members are required to disclose any of the following:

All relevant **financial relationships** with commercial interests (entities producing, marketing, re-selling, or distributing goods or services) in any amount as well as the nature of the relationship (personal or immediate family) within the past 5 years, eg:

I was Senior Marketing Editor of [Primus Books](#), an academic publisher based in Delhi, from 2015 to 2017. My role involved commissioning manuscripts, coordinating book reviews, and editing manuscripts. I have not had any professional associations with Primus Books or any of its staff since leaving service in 2017.
