Reference
Memorandum and Articles of Association, Revised 22 March 2013
'Council may increase the subscription rates due each year by an annual measure of inflation being the UK's Retail Price Index or such other measure as Council determines appropriate.'
<http://publicationethics.org/about/governance>

Reference
Subscription rates for 2018 have been increased by 2%.

If a company wishes to register fewer than five journals then cumulative journal by frequency of publication rates apply.

CONTINUOUS PUBLICATION

Publishing companies that wish to join COPE but do not have a discrete journal product published in intervals will be charged according to the number of articles that they publish a year.

No of articles	Cost per annum
1 to 100	£161
201 to 300	£321
301 to 600	£535
more than 601	£1070

ASSOCIATE MEMBERSHIP AND ASSOCIATE CORPORATE MEMBERSHIP

Individuals may apply for associate membership, which is £53 per annum.

Companies may apply for associate corporate membership which is £161 per annum.

The eligibility criteria for associate membership and associate corporate membership are that the applicant must be a person or company who is interested in COPE's objects and who is working in or associated with the publication of peer-reviewed scholarly journals or has a significant interest in safeguarding the integrity of the academic record and who is NOT eligible for Full Membership.

Prices in UK Sterling, no VAT is charged for membership.

Not-for-profit organisations, registered charities, journals from developing countries and cases of financial hardship may apply to COPE Council for discounted subscription rates. See here for our waiver policy:
